PLENTY OF WORK

AHEAD FOR WILLARD.

Norwich, Conn.

Already Offers Rangling From \$10,000 to \$20,000 Piling at Manager Jone's

World's champion Jess Willard will find himself a pretty busy man for some time to come and his manager, Tom Jones, will have to work over-time collecting money on all sides for Willard and himself. Already offers for the services of the new champion have started to pile in at Jones' office and the offers range anywhere from and the offers range anywhere from \$10,000 to \$20,000 for bouts with heavy-weights who are considered second and third rate fighters. Campion Willard can now get \$20,000 for a bout with a heavyweight, that before last Monday he couldn't have pulled down over \$1,000. Willard starts in by accepting a theatrical engagement in New Orleans which Jack Curley land-

Of course, Willard was green as grass when Smith defeated him, but "Gunboat" feels confident he can repeat the trick. Since that bout Willard has learned a good deal as he showed in his bout with Jack Johnson, and it is doubtful if there is a white heavy weight in the state of the state of the price up to 125 or 8 points above its previous record figure. any show against Williard in a long
bout. The logical candidate for Willard's crown no doubt is San Langtotal of individual transactions. As ford, and as Willard has drawn the its best it sold within 1 1-4 points of color line there isn't much chance of last week's high prices, but in com-

N. F. A. Baseball Team Defeated Westerly High in Opening Game of Eastern Connecticut Interscholastic League-Score 4 to 2—Brickley Held Westerly to Three Hits.

Eastern Interscholastic Baseball league played at Westerly between the high Free Academy aggregation was revealed the fighting spirit of Captain Charles Young and his picked tossers in pulling off a victory with practically no practice whatsoever. The score was N. F. A. 4; Westerly High

If the defenders of the red and white without any practice play mid-season baseball what will they do when they get started? Brickley, last year's mainstay hurler, occupied the mound and held the Westerly batters scoreless until the eighth when timely batting with the assistance of an error netted two runs. Only three hits were secured off Brickley.

The Academy boys deserved much credit for the remarkable showing they made in the field as they mussed up only one play and showed the life of big leaguers. At bat they hammered the Westerly pitchers for 12 safe-

ties.

Although is is reported that the Westerly nine has had two weeks of practice, they were outclassed in all departments of the game. Coach Overbagh is laid up with the grip and was unable to take the trip to Westerly and Captain Young had full control and exhibited good gen-

eralship in placing his men.
This afternoon practice will start
in earnest and within a few days Capt. Young reports that thing will be humming along in great style. This Wednesday they meet the well known All Stars and Monday night Manager Hughese of the All Stars re-

Cincinnati, Ohio, April 12.-The National Baseball commission here to-day reversed the ruling of the national board in disallowing the salary claim of Player E. M. Hemingway, of the St. Louis Americans, against the Nashville club of the Southern league and directed the latter club to send its check for \$131.50 to the secretary of the commission for transmission to

Hemingway, who refused to accompany the Nashville club on one of its trips, claiming illness, was suspended for insubordination. The commission says it cannot approve the suspension of a player for insubordination whose refusal to accompany his team on a trip is due to illness which confines him to his room and says further that him to his room and says further that the Nashville club's arbitrary course with the player was unjustified and operated to a disadvantage to the St. Louis club to whom the player had been released while under suspension, as well as the player himself,

Tip Tops Defeated Buffalo,

Brooklyn, N. Y., April 12.—The Brooklyn Federals today won another long drawn out game from Buffalo, 7 to 5. The visitors used four pitchers and the locals two, wildness rather than hits being responsible for the runs. Lafitte alone gave eleven bases on balls and in all twenty-seven men were left on bases. The score:

Manager Geophut selected 21 to 8, Manager Geophut selected Jimmie Blair to bring home the bacon, which Jimmie did do very nicely. The main feature of the game was the hitting of the Thermos team, especkally the batting of George Kenell, who connected every time up. Manager Geophut says under his coaching, with the aid of Jeff Elders, his team will be invincible with a couple weeks of good practice. Other noticeable features of the game was the fielding of Bob Steele in center field. Captain Ellsworth was seen at his best at shortstop. Other Thermos players who participated in Sunday's game were Squire Ogdren, Morgan, Onley, Fill-more, Wright, Smith and Jeff Elders. Manager Geophut wants to know why the Franklin Street Scalpers did not show up Saturday afternoon at Mohe-gan park. He would also like to have the Independents name a date to which he will agree.

newcomers will fill regular posrew newcomers will nit regular pos-itions in the American league this year, according to the dope which is filtering in from various training camps. Several new faces will be seen on the Cleveland and Chicago teams, but the other clubs will present line-ups which will be largely familiar. Newcomers this year find themselves slated largely for utility roles.

Pep Young, who will play second for the Tigers, is the only new face Jennings will present regularly. Peters will divide the catching with Stanage,

Word from Red Sox headquarters is that Carrigan will stand pat on his team, with Tutwiler, an outfielder, the only recruit having a chance to break in. Ruth, Mays and Comstock are new pitchers who probably will be carried for a while.
Unless Rondeau, the former Tiger

catcher, makes good as an outfielder with Washington, Griffith will play an-other year with the lineup he pre-sented last season. He will not even add pitchers to his staff, it is an-nounced, with the exception of Hopper, who was obtained in a trade with

the St. Louis Nationals.
A recruit by the name of Kaufman, secured from Elmira, may play first base for the Browns, and Severeid may land a catching berth. That pair, with a few new pitchers who will not be sed regularly, will complete Manager

ickey's changes. With the exception of Lajoie at second Connie Mack is not expected to use any new men this year. Kopf probab-ly will replace Baker at third, but the youngster has been on the Philadelphia payroll for some time. Mack probably will replace Bender, Plank and Coombs with youngsters from his old second string pitching staff. He is looking over some new hurlers, but the dope has it that none of them has shown

If Bill Donovan makes any changes in the Yankee battle line it will be the sending to the front of Pipp and High, Detroit contributions to the old Tiger hurler. It is understood around the circuit that High has cinched a job in the gardens and that Pipp is maintaining a lead over Charley Muller in the race for first base. Paddy Baumann, the former Tiger keystone sacker, who has been secured from Providence by Donovan, is making a good showing as an outfielder and good showing as an outfielder and may be retained as a utility fly chaser. The White Sox will have but one old horse in the infield. Weaver will old horse in the infield. Weaver will continue at shortstop and is expected to become a star under the tutelage of Eddie Collins, who will play second for Rowland. Bundy Brief, who lives at Trayerse City, will play first, and either Bronson, from the Three-Eye circuit, or Baker, a former Nap, iwil be at the hot corner.

Nobody seems to know what sort of a lineup Birmingham will offer with the Cleveland Indians. Rodgers will replace Lajoie and there will be new faces at third, grst and centre field. It is expected that Cleveland also will have some new pitchers.

OF BASEBALL FANS This is the Case of Walter Johnson the Speed King.

Playing hobs with the dear old public is no business for a ball player, no matter how great an idol he may be. He may make a monkey of the umpire to his heart's content, and swat the poor old baseball magnate in the bank roll, but let him attempt to fool with Vox Populi, Constna Reader and Rabid Fan all in a bunch together, and his well known rep carries as much weight as a feather in a gale of wind. And the worst part of it is that not only the player him-self, but the club he works for, not to speak of visiting teams, suffer

from the boycott. The case in point is that of Walter Johnson. A year or two ago the Iowa whirlwind was Washington's first citizen. He shard with the president the plaudits of the populace and, on occasions, loomed he and broader than the monument. great was he that a loving cup was handed to him right out in front of the grand-stand, and to further indi-cate how strong he was, his admirers filled said cup to the brim with coin of the real realm-silver and gold and

Last fall, when Walter performed his famous grasshopper stunt, he said things about the Washington magnates, Clark Griffith and the fans, that did not listen good in print. Walter could have gotten away with his swan song about the magnates and manager and survived, but he warbled a dirge when he tackled the public. It has soured on him good and proper, his recent alibi making

matters even worse. The tough part of the present at-titude against Johnson is that the club suffers by the prevailing animos-ity against the famous star. The fans are giving the exhibition games the frozen mitt, few attending the contests between the locals and the National leaguers. The Phillies drew less than 400 at their game Wednes-day and the Superbas had very few more, despite the fact that the weather was propitious, as they say at a beach party. Whether the ex-isting state of affairs will continue the most optimistic refuses to say, but it behooves Johnson to win early and often if he hopes to regain even a portion of his pristine glory on the nome grounds.
The moral is plain: When you're
